## MEETING AGENDA

Departamento de Prospección y Explotación de Minas. Universidad de Oviedo

### Day 1: Thursday February 26th, 2015

<b>09:00</b>	<b>Welcome &amp; introduction</b>
10 min	Welcome address Universidad Oviedo
10 min	Aims of the meeting –Grzegorz Gzyl (GIG)
<b>9:20</b>	<b>Work session 1 – Coordination session part 1</b>
15 min	Review of the work progress: Task 1.1 A new tool for heat transfer modelling in flooded mine workings – Task Leader: Nieves Roqueni (UOVE) , Presented by representative of UOVE
15 min	Review of the work progress: Task 1.2 Quantifying important mixing processes – Task Leader: Adrian Boyce (UGLW) , Presented by representative of UGLW
10 min	Conclusions and key results of WP 1 - WP Leader: Paul Younger (UGLW) , Presented by representative of UGLW
15 min	Review of the work progress: Task 2.1 Preventative strategies for ochre clogging – Task Leader: Anup Athresh (Alkane) , Presented by representative of Alkane
15 min	Review of the work progress: Task 2.2 Closed-loop strategies for oxidised, ochre-precipitating mine waters – David Banks (UGLW) , Presented by representative of UGLW
10 min	Conclusions and key results of WP 2 - WP Leader: Jorge Loredó (UOVE) , Presented by representative of UOVE
10:40	Coffee
<b>11:10</b>	<b>Work session 2 – Coordination session part 2</b>
15 min	Review of the work progress: Task 4.1 Pilot implementation at Markham site (UK) – Task Leader: Anup Athresh (Alkane) , Presented by representative of Alkane
15 min	Review of the work progress: Task 4.2 Pilot implementation at pilot site in Asturias (ES) – Task Leader: Adrian Peña Fernández (Hunosa) , Presented by representative of Hunosa
15 min	Review of the work progress: Task 4.3 Pilot implementation at pilot site in Bytom (PL)- Task Leader: Anna Hyria (Armada) , Presented by representative of Armada/GIG
10 min	Conclusions and key results of WP 4 - WP Leader: Anup Athresh (Alkane) , Presented by representative of Alkane
15 min	Review of the work progress: WP 5 (reporting summary) – Anna Skalny (GIG)
30 min	Discussion on first annual report - Grzegorz Gzyl (GIG)
10 min	Conclusion and key results of coordination sessions - Grzegorz Gzyl (GIG)
14:00	Lunch
<b>15:30</b>	<b>Work session 3 – WP 1 &amp; WP2 workshop (moderated by David Banks)</b>
17:30	Break
19:00	Informal walk to Oviedo city centre
21:00	Official dinner

**Day 2: Friday February 27th, 2015**

<b>09:00</b>	<b>Work session 4 – WP 1 &amp; WP2 workshop (moderated by David Banks) – cont.</b>
11:00	Coffee
11:30	Departure from Oviedo to Mieres
<b>12:00</b>	<b>Visit to HUNOSA geothermal installations</b>
14:00	Lunch in Mieres
15:30	Return to Oviedo
<b>16:00</b>	<b>Work session 5: Conclusions and future works</b>
15 min	Review of the work progress and next steps: Task 3.3 Models for incorporating cooling into delivery system – Task Leader: David Banks (UGLW), Presented by representative of UGLW
15 min	Review of the work progress and next steps: Task 3.4 Ownership, management and financial models – Anna Skalny (GIG)
15 min	Wrap-up of WP sessions as a result of WP sessions (5 minutes per WP session)
15 min	Future work to be done (deliverable table) and dissemination - Grzegorz Gzyl/ Anna Skalny (GIG)
20 min	Discussion - Grzegorz Gzyl (GIG)
10 min	Conclusions & to do list – Grzegorz Gzyl (GIG)
17:30	End of the meeting
